Shroyer Martin had practically raised his own wife. He loved Jennifer and would do anything to ensure she would be his. He was powerful enough to manipulate the circumstances of her life and he'd done just that. He wanted her to be his and would not take no for an answer. He needed her to be his forever.

Excerpt: He took a deep breath letting his hands once again glance through the pictures he had of her. Her at the prom, at homecoming and her graduation. There was one picture in particular that always warmed him. She was in a simple college t-shirt, her long black hair was straight and she was looking right at the camera. That golden skin of hers seemed to glow. Those sexy dark feline eyes reached straight into his soul. Her mouth beckoned him to kiss it. He threw the covers from the bed and walked to the shower. He had a plan in place and knew it was time to execute it. He couldn't go on like this.
