That's Not Hay in My Hair Juliette Turner

New York City life had crammed sidewalks, gasoline-filled puddles, and angry taxi drivers, but Juliette enjoyed the towering sky-scrapers, the half-block walk to school, and the restaurant smells wafting into her bedroom. She had never cared for a horse, let alone a long-horn, when her mother announced their imminent move to a 300 acre ranch in Texas, where they would be caring for three horses, five dogs, twenty-five longhorns, and a cat...all by themselves. Juliette couldn't help feeling excited, even though she'd have to climb a hill to get a bar of cell-phone service. Soon she was running from bats and snakes, rescuing a calf from a twenty-foot ditch, medicating ponies, and having adventures so crazy it's hard to believe they're for real—but it all did, exactly how it's written.

Get ready for side-splitting laughs, heart-wrenching tears, and surprising life lessons learned down on the farm and shared by fourteen-year-old Juliette Turner.
