Journey Durant's father warned her, "Someday you'll have to lie in the bed you've made." But she didn't believe him... until now.

She has just received news that her ex-boyfriend is about to be released from prison, and this reformed bad girl can't shake the feeling that her troubled past is coming home with him. The town of Emerson, Georgia has forgiven and forgotten her involvement in the most publicized tragedy in the town's history, but only because of her three year absence, her prominent Southern Baptist family, and her marriage to the closest thing her small town has to a superhero.

Bullets and emotions fly, leaving Journey to realize that no matter what penance she has done for her past, the mistakes of her youth still carry unpaid penalties.

The Bed She Made is a stand-alone novel with a bonus prequel called To Be Her First.
