The Counting Race

Margaret McNamara

The Counting Race Margaret McNamara

Level 1: Starting to Read

- Simple stories
- Increased vocabulary
- Longer sentences

Mrs. Connor's first-grade class is having a counting race! They're trying to count from one to ten in less than a second. But no one is fast enough to get all the way to ten before time is up. That is, until the first graders work together to come up with a faster way to count!

From reader reviews:

Miles Towles:

What do you ponder on book? It is just for students as they are still students or that for all people in the world, the actual best subject for that? Just simply you can be answered for that issue above. Every person has various personality and hobby for every other. Don't to be pressured someone or something that they don't wish do that. You must know how great and also important the book The Counting Race. All type of book is it possible to see on many options. You can look for the internet sources or other social media.

Matthew Ramey:

Book is to be different for every grade. Book for children until finally adult are different content. As it is known to us that book is very important usually. The book The Counting Race had been making you to know about other knowledge and of course you can take more information. It is quite advantages for you. The guide The Counting Race is not only giving you more new information but also being your friend when you really feel bored. You can spend your own personal spend time to read your book. Try to make relationship while using book The Counting Race. You never feel lose out for everything in the event you read some books.

Bonnie Lugo:

Here thing why this specific The Counting Race are different and reliable to be yours. First of all examining a book is good but it depends in the content from it which is the content is as delightful as food or not. The Counting Race giving you information deeper since different ways, you can find any e-book out there but there is no book that similar with The Counting Race. It gives you thrill reading journey, its open up your eyes about the thing that happened in the world which is might be can be happened around you. You can easily bring everywhere like in park your car, café, or even in your approach home by train. If you are having difficulties in bringing the imprinted book maybe the form of The Counting Race in e-book can be your choice.

Christopher Pipkin:

A lot of e-book has printed but it differs from the others. You can get it by online on social media. You can choose the best book for you, science, comedian, novel, or whatever through searching from it. It is known as of book The Counting Race. You can add your knowledge by it. Without causing the printed book, it could add your knowledge and make a person happier to read. It is most significant that, you must aware about guide. It can bring you from one location to other place.
