**Where is God?: Audio Book on CD** Dr. John Townsend

## **Hard times make us look for God.**

Everyone has problems. But if we could solve all our difficulties ourselves, would we ever search for God? Psychologist John Townsend says "It is actually the very unfixability of our problems and our powerlessness to bring right results that keep us asking, 'Where is God?'"

With a compelling narrative, Townsend offers new insights into the pursuit for God's help and presence. Designed to give readers hope and meaning, he divides the discussion into three parts:

- Why does a loving God allow us to experience difficulties?
- How is God active in the middle of our hard times?
- How can I find God?

With powerful stories and practical applications, *Where Is God?* assures readers that even when it feels as though God is absent it is his nature to be in relationship, to connect with, love, and guide us. And when we seek him with all our heart, soul, mind, and strength, he shows up in ways that transform us forever.

Note: Final recording length may vary.
