Lance has always known he was gay, but he's never had a real boyfriend. Sergio is bisexual, but his only real relationship was with a girl. When the two of them meet, they have an instant connection--but will it be enough to overcome their differences?

Allie's been in a relationship with a guy for the last two years--but when she meets Kimiko, she can't get her out of her mind. Does this mean she's gay? Does it mean she's bi? Kimiko, falling hard for Allie, and finding it impossible to believe that a gorgeous girl like Allie would be into her, is willing to stick around and help Allie figure it out.

*Boyfriends with Girlfriends* is Alex Sanchez at his best, writing with a sensitive hand to portray four very real teens striving to find their places in the world--and with each other.
