Clear Jessica Park

CLEAR is a standalone.

"CLEAR crosses genres, breaks boundaries, and it will certainly leave you breathless. You won't just fall in love with this story--you will become addicted to it." -Bestselling author Andrew E. Kaufman

Stella Ford's grasp on reality is already loose, and it's about to come undone.

When the college junior flees Chicago and leaves her toxic family behind, she heads for coastal Maine to find the one person who brought her peace years ago: Sam Bishop. But the Sam she once knew now has painful secrets.

Stella is determined to heal them both. Healing, however, is a challenge when the walls of her everyday existence collapse. And when Sam's best friend is his worst enemy.

When the line between life and death blurs.

When an end is just a beginning.

When lust and rage rule.

Yet during extraordinary chaos, there can be extraordinary love, even if that love comes with a twist.

Welcome to death tripping.

*Please note: CLEAR is a standalone. This book is intended for mature audiences due to strong language and sexual content.

REVIEWS

"This story is exquisitely twisted. It was a very psychologically demanding read for me...not much catches me off guard or makes me squirm, but CLEAR manages to do both in the best possible ways! The pace is perfect, the tone is unapologetically raw and honest, and the result is intensely entertaining and mind-bending." -K and M's Book Haven

"Every page is written with vivid attention to the intricate details and complex characters. Clear is poignant, raw, and sometimes downright gritty. Everything about it pushes boundaries, giving a completely new meaning to the moralities of life and death, love and loyalty, reality and perception." -Tammy and Kim Reviews

"This unforgettable, incredible story will consume you. I devoured it. Clear is erotic, intense, and utterly addictive. It will mess with your mind and test your limits." -Confessions of a Book Whore

"It is fast-paced, crazy, f***ed up, confusing, but an all around complete and total mind f*** that will leave you scratching your head and wanting to dive right back in to make sure you 'got' everything that happened, and to experience it all over again." -The Book Trollop

From reader reviews:

Luis Garcia:

Do you have favorite book? For those who have, what is your favorite's book? Guide is very important thing for us to be aware of everything in the world. Each book has different aim or even goal; it means that book has different type. Some people experience enjoy to spend their time to read a book. These are reading whatever they take because their hobby is actually reading a book. Why not the person who don't like looking at a book? Sometime, man feel need book when they found difficult problem or exercise. Well, probably you will want this Clear.

Mike Yerkes:

Do you certainly one of people who can't read enjoyable if the sentence chained from the straightway, hold on guys this kind of aren't like that. This Clear book is readable simply by you who hate the straight word style. You will find the data here are arrange for enjoyable reading through experience without leaving possibly decrease the knowledge that want to offer to you. The writer associated with Clear content conveys prospect easily to understand by lots of people. The printed and e-book are not different in the content but it just different available as it. So , do you continue to thinking Clear is not loveable to be your top record reading book?

Kevin Strickland:

Information is provisions for those to get better life, information today can get by anyone on everywhere. The information can be a information or any news even an issue. What people must be consider when those information which is within the former life are hard to be find than now's taking seriously which one is acceptable to believe or which one the resource are convinced. If you get the unstable resource then you get it as your main information we will see huge disadvantage for you. All those possibilities will not happen inside you if you take Clear as your daily resource information.

Margaret Burman:

As we know that book is very important thing to add our knowledge for everything. By a guide we can know everything we wish. A book is a list of written, printed, illustrated or even blank sheet. Every year has been exactly added. This e-book Clear was filled concerning science. Spend your extra time to add your knowledge about your scientific research competence. Some people has diverse feel when they reading a book. If you know how big advantage of a book, you can feel enjoy to read a e-book. In the modern era like right now, many ways to get book that you simply wanted.
