how to flip a house with no money (The fastest system out there to start flipping houses with no money down) Spencer Lockwood

Making a million dollars flipping houses may seem unrealistic to many people especially if they don't have any experience investing in real estate. With this book you will see that this is possible for you to do even if you have no money, no credit and no experience. This is a business you can start without any startup costs, there are not too many businesses out there that you can start without money. This business model guarantee's large profits from each individual property you flip. The detailed information in this book could easily cost you over \$1,000 in mentoring and coaching. This book is put together in an easy to understand format that anyone regardless of their education can understand and implement to start a business that you can run from home. What I have done is taken a complex subject "flipping houses" and have made it understandable for the average person who does not have any experience or education in real estate. You will learn how to create a streamlined system to find the best properties to flip, how to finance your deals without using any of your own money or credit if you don't want to or cant, how to fix properties in a streamlined fashion to maximize your profits and speed of repairs on every property and how to sell your properties using a variety of selling strategies. This system will work in any real estate market. This system is put together in a matter so even beginners or people without any real knowledge of real estate investing can understand and implement this system to get deals in the works within 60 days. From the point of you doing your first deal you will learn how to use your profits to start flipping multiple houses at once, month after month. It will not take you long with this system to recognize profits from flipping houses.
