## Interlinear Greek-English New Testament (v. 4) (Greek Edition)

"The Interlinear Greek-English New Testament" is keyed to Strong's "Exhaustive Concordance". Thousands of pastors, students, and laypeople have found it to be a time-saving tool for researching the subtle nuances and layers of meaning within the original Greek. Featuring the Greek texts with a direct English rendering below each word, it also includes "The Literal Translation of the Bible" in the outside column. But what truly sets this resource apart are the Strong's numbers printed directly above the Greek words. Strong's numbers enable even those with no prior knowledge of Greek to easily access a wealth of language reference works keyed to Strong's - Greek dictionaries, analytical lexicons, concordances, word studies, and more.
