## **The Order of the Wolf** Angela Addams

*Exposing their hearts makes them mates. It also makes them targets.*

### *Cursed*

Darcy wields only one Vengeance Dealer spell, but it works beautifully on scumbag heartbreakers. Her next target: rock god Raven Glock. But when she serves him a face full of cursed ash, she finds herself magically tethered to one pissed-off werewolf.

### *Wolf Slayer*

Failed Huntress Aubrey runs security for a rock band. One argument too many with bad-boy bassist Jaylon, and they're clawing each other's clothes off. Jaylon realizes Aubrey is a true Huntress. He'd better claim his mate before a Hunter claims her first.

### *Spell-Weaver*

Battling a slow-burning poison, Dyami stumbles into Summer's tattoo shop—and senses her boyfriend is a Hunter. With a weapon flying at him, he must instantly claim her. Now he must convince her she could end the war...and that his life is in her hands.

### *Mayhem*

When Mayhem spots Hannah, his wolf howls only for her. One perfect kiss, and he's ready to seal the deal, but suddenly she is gone without a trace. And the rapidly cooling trail smells distinctly of Hunter...

*Warning: Sexually explicit language, coloring outside the lines, wince-worthy piercings, sex in public, rock gods with wicked bites, take-no-crap heroines and melt-your-panties men. Drooling yet? Need a napkin?*
