The Rose of Jericho: One day at a time for the rest of your life Sergio Bambaren

The Rose of Jericho is one of the oldest desert flowers in the world - it can stay dry, without water, for decades. But just a drop of water will turn it into a beautiful flower and make it flourish once again. Same with human beings who touch rock-bottom; but is they accept total defeat and ask for help, the best days of their lives are yet to come. A sensitive and touching story told by successful author Sergio Bambaren that we all have a second chance in life, to start from scratch, if we only ask for help, and we are humble enough to recognize that we have a problem we cannot solve alone.
