A little evergreen seed has a big dream of becoming a beautiful, tall evergreen tree. Why? So he can one day be a GRAND Christmas tree. But things go horribly wrong when he is blown off course by the wind and lands right between two giant trees. They hog the sun and there's just no room to grow. Will this little seed ever grow to become a Christmas tree that a family will love? Or will he be forced to live as a tiny tree that no one will want? This is a beautiful story of following your heart and believing that dreams really do come true.
