Behold the Bones (Beware the Wild)

Natalie C. Parker

Behold the Bones (Beware the Wild) Natalie C. Parker

A haunting, chilling, and atmospheric southern swamp tale—perfect for fans of Maggie Stiefvater’s *Shiver*.

In this companion to *Beware the Wild*, the book *New York Times* bestselling author Kiersten White called “American myth at its very best,” Natalie C. Parker takes readers on a journey back to an eerie Louisiana swamp town.

Candace “Candy” Pickens has been obsessed with the swamp lore of her tiny Louisiana town for . . . forever. Name any ghostly swamp figure and Candy will recite the entire tale in a way that will curl your toes and send chills up your spine.

That doesn’t mean Candy’s a believer, however. But with swamp haunts appearing in town every day, a suspicious new family in town, and her own mind starting to betray her, Candy must come to terms with the one piece of swamp lore she’s never heard before. It’s a tale that’s more truth than myth, and may hold all the answers . . . and its roots are in Candy’s own family tree.
