## **Hudson Taylor: In Early Years- The Growth of a Soul** Howard Taylor

The classic two-volume story (hardback) of Hudson Taylor and the founding of the CIM (now OMF). This longer, more detailed account includes many of Taylor's personal writings that express his vision, faith and frustrations. It also provides a careful account of the many miracles that took the young mission agency into the inland and barbaric provinces of China. The first volume covers Taylor's life, and the second, more about the mission itself.
