This book began as a journal. When Renee's youngest son was diagnosed with Autism, God spoke precious messages to her heart through that dark night. She feels compelled to share them with others who are going through their own adversity. Come along as she takes you from tragedy to triumph. You too can know for sure, God makes everything beautiful in His time. Adversity is not something to be despised. It is to be embraced. Be empowered to overcome any trial, big or small. Find out how God uses our brokenness in unexpected ways.
