Painting as a concept: The oft-misunderstood work of a brilliant artist

A tragic icon of Abstract Expressionism, **Jackson Pollock** (1912—1956) took influences from Picasso and Mexican surrealism and developed his own way of seeing, interpreting, and expressing. Though his name inevitably conjures up images of the drip paintings for which he is most famous, this technique was only developed midway through his career. The progression from his earlier work to his final “action” paintings—a veritable revolution of painting as a concept—reveals the genius of this tortured artist whom many call the greatest modern American painter.

About the series:

Each book in TASCHEN’s Basic Art series features:

- a detailed chronological summary of the life and oeuvre of the artist, covering his or her cultural and historical importance
- a concise biography
- approximately 100 illustrations with explanatory captions

From reader reviews:

Matthew Siller:

What do you think about book? It is just for students because they are still students or this for all people in the world, what the best subject for that? Merely you can be answered for that problem above. Every person has various personality and hobby for every other. Don't to be pushed someone or something that they don't wish do that. You must know how great in addition to important the book Pollock. All type of book are you able to see on many options. You can look for the internet sources or other social media.

Jonathan Head:

Book is to be different for each grade. Book for children right up until adult are different content. As we know that book is very important for people. The book Pollock has been making you to know about other understanding and of course you can take more information. It is rather advantages for you. The publication Pollock is not only giving you more new information but also being your friend when you experience bored. You can spend your personal spend time to read your e-book. Try to make relationship using the book Pollock. You never sense lose out for everything in the event you read some books.

Maria Ives:

Spent a free time for you to be fun activity to complete! A lot of people spent their free time with their family, or their very own friends. Usually they carrying out activity like watching television, going to beach, or picnic inside the park. They actually doing same task every week. Do you feel it? Would you like to something different to fill your free time/ holiday? Can be reading a book can be option to fill your totally free time/ holiday. The first thing that you ask may be what kinds of e-book that you should read. If you want to try look for book, may be the guide untitled Pollock can be excellent book to read. May be it might be best activity to you.

Kerry Erdman:

Precisely why? Because this Pollock is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will shock you with the secret this inside. Reading this book beside it was fantastic author who else write the book in such incredible way makes the content inside of easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you for not hesitating having this ever again or you going to regret it. This unique book will give you a lot of positive aspects than the other book include such as help improving your expertise and your critical thinking means. So , still want to delay having that book? If I were being you I will go to the book store hurriedly.
