Spirit of the living God: What the Bible says about the Spirit Dale Moody

This book explores the biblical concepts of the Holy Spirit in their historical and literary context. The first chapter describes three major stages in the Old Testament understanding of "spirit." The remainder of the book examines the person and work of the Spirit in the New Testament: Synoptic Gospels, Acts, Pauline writings, Johannine works, and other writings. It leads the reader to study the Bible itself to discover the role of the Spirit in the church and in the life of the believer.
