Amy is curvy and single, and she's tired of looking for her Prince Charming. She wants to settle down and start a family, but men have broken her heart too many times. When she joins the Muzzles & Paws marriage agency, she wants to find someone who'll love her without reservations.

Cage is a successful and wealthy werebear, but something's missing in his life: he hasn't found his mate. The women he meets go after his shifter genes and his family name. In a desperate attempt to find true love, he joins a marriage agency to find a human mate.

When Amy responds to Cage's ad for a mail order bride, they like each other instantly. They agree to meet to see if they're compatible, but things will not be as easy as they seem, and they might never find true happiness.
