Purity and Passion

Would you like to have a stronger marriage?

Do you long for more intimacy in your relationship — more emotional and physical intimacy?

Purity and Passion can help!

This groundbreaking book helps readers understand how eternal truths about sexual intimacy can clear away the obstacles and misconceptions that have plagued many couples. Practical suggestions on how to show love, how to make positive changes in your marriage, and how to increase your marital intimacy provide wonderful opportunities for discussion and action.

With the insights in Purity and Passion, you'll be well on your way to greater marital happiness that you ever imagined!

Rock Solid Relationships

For thirty years as a marriage and family therapist, Dr. Wendy Watson Nelson worked with people who struggle with relationship problems — spouses who feel misunderstood and neglected; parents and children who find themselves at odds with each other; in-laws who clash; siblings who quarrel; neighbors who disagree; and associates in Church callings and in the workplace who don't work well together.

In Rock Solid Relationships, Dr. Nelson offers powerful solutions to such conflicts and concerns. She concludes, “Experience has taught me that the word of God is more powerful than anything else in healing and strengthening relationships.”

Rocky relationships can become rock-solid if those relationships have as their foundation The Rock, Jesus Christ, and His teachings on love, kindness, and mercy. It is His Power, Light, Love, Truth, and Spirit on which we must build. With this sure foundation, Rock-solid relationships bring an abundance of love and peace and joy to all involved.

Rock Solid Relationships will change the way you look at others and yourself. It invited you to “experiment on the word” by practicing scripturally based, practical, and doable things that will enhance or improve the way you interact with the people who matter most in your life.

Change Your Questions, Change Your Life

Questions can be powerful! They can help us to see, feel, think, and do things differently! Do you want better relationships? Then ask better questions. Do you want a great life? Learn to ask great questions.

This pattern was never better exemplified than when a young, fourteen-year-old boy accepted the familiar invitation from James — “If any of you lack wisdom, let him ask of God.” — and decided to ask God which

church he should join. That single question not only changed his life forever but also changed the world forever by ushering in the Restoration of the gospel of Jesus Christ. Truly, questions can be powerful agents of change.

In this unique and thought-provoking book, *Change Your Questions, Change Your Life*, Wendy Watson Nelson explored the power of asking — and answering — certain questions. Questions such as:

What is on my premortal list of “Things to Do While on Earth?”

What is the one question I most need to have answered from the scriptures today?

How can I be more of my true self at the end of this experience?

Whose agenda is this supporting?

The book's full-color graphics and illustrations help us visualize and personalize these important concepts, and we are invited to pause and reflect on the different kinds of questions we can ask and the remarkable ways new questions can help us solve old problems.

Filled with inspirational insights and grounded in doctrine and the scriptures, *Change Your Questions, Change Your Life* presents what may seem to be a revolutionary way of looking at your life, but in reality it simply, and with great clarity, articulates one of the most profound ways the Lord has always taught His children and invited them to progress. For truly He has said “Ask, and it shall be given you” (Matt. 7:7).
