From their first kiss...

The gorgeous music mogul who saves ER nurse Simona Andrews from a hallway collision belongs firmly in her "do not date" category. He's in the media spotlight—just like her ex, an actor who trashed her publicly after their split. Since she became guardian to her baby niece, Simona has even more reason to avoid high-profile affairs. Yet still her body is on fire from Donovan's lightest touch.

Record label VP Donovan Wright tells himself it's exhaustion, adrenaline...but nothing has ever matched the feeling of having Simona in his arms. Sexy and compassionate by turns, she immediately pulls him in, even as his own trust issues surface. Before she walks away for good, he has just one more chance to prove that his promise to love and care for her will never be broken...
