Blood Tide: Book Two Of The Aquarius Rising Trilogy Brian Burt

Sequel to Aquarius Rising: In the Tears of God, winner of the 2014 EPIC eBook Award for Science Fiction: Megalops is an Aquarian, a human-dolphin hybrid who lives in one of the many reef-cities that thrive beneath the waves on an Earth ravaged by climate change. Some of the Humans who cling to the barren lands blame Aquarius for their plight and unleashed the Medusa Plague that entombed Megalops's wife and daughter in stone. Tormented by that loss, Megalops dedicates everything to avenging his murdered family, no matter what the cost. He unleashes a Vendetta Virus as cruel and lethal as the Medusa Plague, a bio-weapon that transforms living Humans into Aquarian corpses. Ocypode — one of the heroes who stopped the Medusa Plague — and his band of Human and Aquarian allies battle desperate odds to prevent Megalops from committing an act of genocide that will escalate into global conflict, dragging the Earth's other humanoid species into the chaos. War demands sacrifice. If Mother Earth and Mother Ocean wage war against each other, will anyone survive?
