Cricket superpowers Australia and India Battle it Out

After the tragic loss of a team mate, can Australia avenge their 0-4 series loss in India in 2013?

Follow the 17th Man - the last player picked in the Australian cricket squad - as he travels around Australia, chronicling the tour with his quirky and insightful pen.

Both teams lost a great captain - one through injury, one through retirement - and both were blessed with the emergence of a new captain - each one young, brash and leading from the front with prolific and flamboyant run scoring.

All the triumph and controversy is here – the farewells and the follies, the roads and roadblocks, captains and caftans, centuries and “centre thanks”, the sledging and the edging. Relive it all in **Four Captains and a Funeral**
