Happily ever after is not in her plans...**

Always a bridesmaid...

And that's exactly how professional bridesmaid Lauren Bennett wants it. All she'll allow herself to indulge in is a quick occasional fling or a one night stand. She won't risk falling for someone and ending up trapped in a loveless marriage like her parents. She knows all too well that love and marriage equal misery and she never wants to live like that.

Never the groom...

But photographer Kyle Rawlings would like to be! At 30 years old, he's done playing the field and wants to settle down with the right woman. When mistaken identity drops Lauren into his lap—and his bed—he thinks fate has finally granted his wish. He just didn't realize it would take a force of nature to convince his stubborn professional bridesmaid that two people can be more than lovers.

But Kyle is nothing if not patient, and he's going to use every means possible to show Lauren just how wonderful love can be. In this battle of wills...who will win?
