The Other Half of My Heart

Sundee T. Frazier

The Other Half of My Heart Sundee T. Frazier

The story of biracial twin sisters—one black, one white—and the summer that tests their strong bond, from the author of *Coretta Scott King/John Steptoe New Talent Author Award*-winner *Brendan Buckley's Universe and Everything in It*.

When Minerva and Keira King were born, they made headlines: Keira is black like Mama, but Minni is white like Daddy. Together the family might look like part of a chessboard row, but they are first and foremost the close-knit Kings. Then Grandmother Johnson calls, to invite the twins down South to compete for the title of Miss Black Pearl Preteen of America.

Minni dreads the spotlight, but Keira assures her that together they'll get through their stay with Grandmother Johnson. But when their grandmother's bias against Keira reveals itself, Keira pulls away from her twin. Minni has always believed that no matter how different she and Keira are, they share a deep bond of the heart. Now she'll find out whether that's really true.

"One luminous pearl of a sister story."--RITA WILLIAMS-GARCIA, author of the Newbery Honor Award-winner *One Crazy Summer*

Winner of the Skipping Stone Honor Award

*"Frazier highlights the contradictions, absurdities, humor, and pain that accompany life as a mixed-race tween. Never didactic, this is the richest portrait of multiracial identity and family since Virginia Hamilton's 1976 novel *Arilla Sun Down*. An outstanding achievement."—*Kirkus Reviews*, **Starred**

*"Not only does Frazier raise questions worth pondering, but her ability to round out each character, looking past easy explanations for attitude, is impressive. . . . A novel with a great deal of heart indeed."—*Booklist*, **Starred**

From the Hardcover edition.
